

Saline Summerfest Electric Vehicle Event

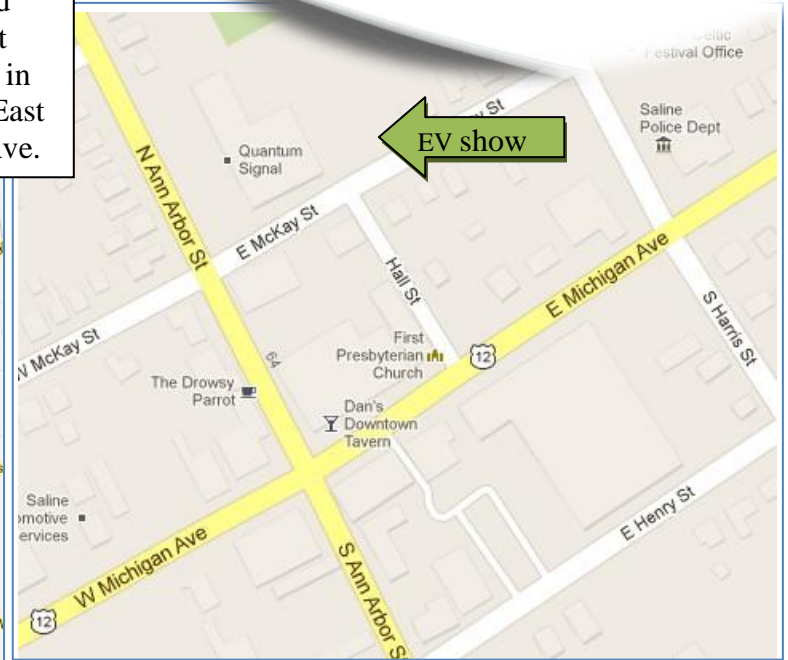

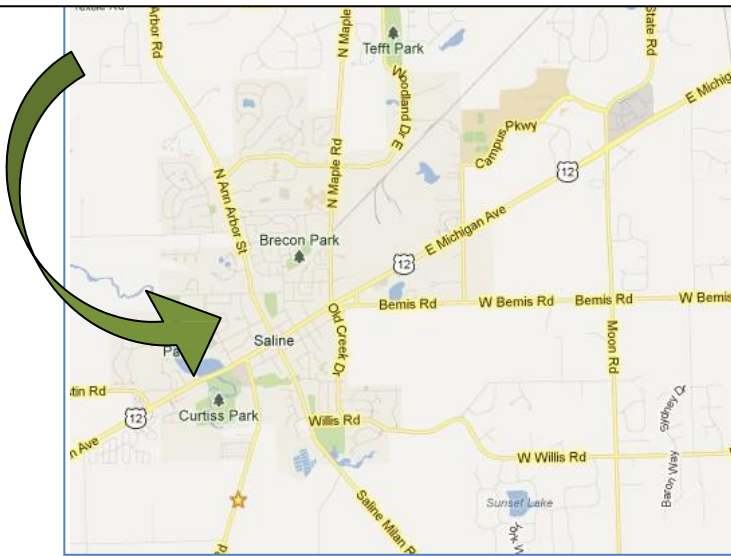

Have you been curious about the new electric vehicles offered by many of the car companies? Wondering about all the questions surrounding this change in transportation? Hesitant to find out if these vehicles will work for you? Come see the latest electric vehicles drive some of the vehicles currently available for sale and talk to owners about their experiences buying and owning an electric vehicle.

Date: Saturday, August 10, 2019

Where: South side of Quantum Signal
101 E. McKay St., Saline, MI

Event Time: 9:00 am – 1:00 pm

Summerfest is at the intersection of US12 (Michigan Ave.) and Saline Ann Arbor Rd. Coming from Ann Arbor head south on Saline Ann Arbor; from west take the US12 exit from I94 and follow the signs to Saline. The EV Show is in the Quantum Signal parking lot where Hall Road meets East McKay St. east of N. Ann Arbor St. north of Michigan Ave.
